Agenda

I. Introductions

II. Voter's Choice Act Overview

With the Voter's Choice Act (VCA), voters will now be able to choose how, when, and where they can vote. Voters can choose to vote by mail, drop off their ballot at a ballot drop-box, or have up to 11 days to vote in person at any vote center.

III. Goal of the Election Administration Plan

The Election Administration Plan outlines how the Registrar of Voters (ROV) will implement the changes related to VCA and will be developed together with input from the community.

IV. Vote Center/Drop-box Selection

The ROV is seeking public input to assist the County with locating potential sites for voting centers and drop-box sites. Vote centers need to be accessible and have enough space to properly service Santa Clara County voters.

V. Language Accessibility

The ROV is seeking public input to assist the County with various means of providing language accessibility so that all eligible voters can understand the voting process and have equal access to the ballot. Examples include suggestions for historically underserved language communities and bilingual election officer recruitment.

VI. Voting Accessibility

The ROV is seeking public input to assist the County with various means of providing accessibility for senior voters and voters with disabilities so that all eligible voters can understand the voting process and have equal access to the ballot.

VII. Outreach Opportunities

The ROV is seeking public input to identify different venues and methods of outreach so as to best reach the County's voters and educate them on the elections changes that will come with VCA.
