IMPORTANT CHANGES FOR THE NOVEMBER 2020 ELECTION

Vote Safe, Vote From Home

There is no safer method to vote than by mail. Vote by Mail Ballots will begin to be mailed starting October 5. Mail your ballot using the free prepaid postage return envelope.

If you must vote in-person consider voting early to avoid the crowds on Election Day. Masks will be required, and social distancing protocols will be enforced. The Registrar of Voters Office will provide masks and gloves at Vote Centers to voters, workers, and observers.

Vote Centers open beginning October 31 - November 3.

Ballot envelopes may be returned to any Vote Center, Ballot Drop Box, or the Registrar of Voters Office.

The health and safety of our voters and staff is a top priority. If possible, VOTE FROM HOME.
