NEW BALLOTS TO BE ISSUED TO 133 VOTERS IN SUNNYVALE SCHOOL DISTRICT

The Santa Clara County Registrar of Voters' Office has been reconciling its school district boundary information with data from the County Assessor's Office. While updating this information, the Registrar discovered that some voters in the City of Sunnyvale, designated in our system as being located in the Cupertino Union School District, were actually being taxed in the Sunnyvale School District.

Based on records at the time, these voters were mailed ballots earlier this month for **Measure C for the Cupertino Union School District** in the upcoming May 3, 2011 Special Election.

To ensure that these 133 voters have an opportunity to vote on the correct ballot measure in May's election, the Registrar will be issuing them a new ballot for **Measure B for the Sunnyvale School District** with a letter of explanation.

These voters should disregard the Cupertino Measure C ballot that was originally sent to them. If they have already voted and returned that ballot, the ballot will be voided.

They are also encouraged to complete and return the new ballot.

If these voters have questions or need assistance, they are encouraged to call the Registrar of Voters' Office at **(408) 299-VOTE [8683]** or toll-free at **(866) 430-VOTE [8683]**.
