## **DRIVE-THRU BALLOT DROP-OFF SITES, NEW IN JUNE'S PRIMARY ELECTION!**

With voters leading increasingly busy lives and 68% of Santa Clara County registered voters opting for the convenience of voting by mail, the Registrar of Voters (ROV) wants to make it equally easy and convenient for such voters to return their ballots.

The Registrar of Voters will have five Drive-Thru Ballot Drop-Off sites, where voters can simply drive-up and drop-off their ballots for the upcoming June 5<sup>th</sup> Presidential Primary Election.

The sites will be located throughout the county, with one in each of the five supervisorial districts. The sites will be open the next two weekends, in an effort to receive ballots with sufficient time so they can be processed, verified and included in the initial results posted on Election Night.

The sites will also be available Election Day, during the hours that the polls are opened.

Following is a list of the sites and the dates and times they will be opened.

The sites are an ideal option for voters who want to make sure their ballots are received on time. With cutbacks at the United States Postal Service, the California Secretary of State is encouraging voters to mail their ballots no later than Wednesday, May 30<sup>th</sup>.

In addition to the Drive-Thru Ballot Drop-Off sites and mailing their ballots by the suggested date of May 30<sup>th</sup>, voters can return their ballots at:

- Any city hall and the Santa Clara County Government Center, 70 W. Hedding, San Jose, during normal business hours
- The Registrar of Voters' Office, 1555 Berger Drive Building 2, San Jose, during normal business hours between now and June 4<sup>th</sup> and 7 am to 8 pm, June 5<sup>th</sup> Election Day

**or**

Weekend Voting, Saturday & Sunday, May 26 & 27<sup>th</sup>  
and June 2<sup>nd</sup> and 3<sup>rd</sup> from 9 am – 3 pm

**or**

The 24/7 drop-box outside the Registrar's Office near the flag pole

- Any polling place on Election Day, 7 am – 8 pm

The Drive-Thru sites opened on Election Day are expected to help ease and reduce the problems voters experience finding parking and having to wait in lines, when returning their ballots at polling places.
