***NOTICE***

All information in this guide is subject to change.

No duty is imposed upon the Office of the Registrar of Voters to determine whether a candidate meets the requirements for holding office. The Declaration of Candidacy, which each candidate must sign under penalty of perjury, states that the candidate meets the statutory and/or constitutional qualifications for office (including, but not limited to, citizenship, residency, etc.).

This guide is intended to provide general information concerning the nomination and election of candidates and does not have the force and effect of law, regulation, or rule. It is distributed with the understanding that neither the Secretary of State nor the Office of the Registrar of Voters is rendering legal advice, and, that, this information is not to be a substitute for legal counsel for the individual, organization, or candidate using it for resource purposes.

In case of conflict, or amendments to law, regulation, or rule that take effect after the publication of this document, the law, regulation, or rule will apply.

Dear Candidate:

Congratulations on your decision to seek office during the September 14, 2021 California Gubernatorial Recall Election. I understand that this year has been very difficult for the world, our country, and our community. We must however, continue to sustain our democratic process which includes running for public office. Your candidacy provides voters in the County of Santa Clara a choice and hope for the future.

There are many requirements associated with being a candidate. We have prepared this Candidate Guide to assist you in understanding these requirements. It contains valuable information regarding qualifications and terms of office, nomination procedures and forms, fees, and important dates and deadlines.

Please keep in mind that this Candidate Guide is intended to be a resource and is not comprehensive nor does it constitute or substitute for legal advice. You are encouraged to seek legal counsel on questions of law.

We also recommend that you file as early as possible to ensure that your documents are complete and accurate. Filing deadlines are absolute. Waiting until the end of the filing period could result in your name not being on the ballot if your documents are incomplete or in error.

A point of interest in the 2020 election year was the implementation of the Voter’s Choice Act (VCA). Under the new law, voters can now choose the days and ways they vote in an election. For VCA information and materials, please contact our Voter Education & Outreach Team at Outreach@rov.sccgov.org or (408) 299-POLL [7655], or, visit our Voter’s Choice Act webpage for more information at www.sccvote.org/voterschoice.

The Office of the Registrar of Voters is open Monday through Friday, between the hours of 8:00 a.m. and 5:00 p.m., not including holidays. We are located at 1555 Berger Dr., Bldg. 2, San Jose, CA 95112.

We want to provide you assistance that will make seeking office easier and an enjoyable learning experience. If you have any suggestions for improving this guide or our services, please let us know. If you have any questions or need additional information, please contact the Candidate Services Division at (408) 282-3000.

Best wishes to you in your campaign.

Sincerely,

Elections Code §12287

Prohibition of Holding Two Offices

The Santa Clara County Ordinance includes a provision relating to holding two offices that may be incompatible. Specifically, Section A3-40 prohibits a member of the Board of Supervisors from holding another public office that may be incompatible. That excerpt is below:

Sec. A3-40. - Incompatible office. (Restatement of existing state law)
Under existing California law, no Board member may hold another public office where the two offices are incompatible. Taking an incompatible second public office results in the automatic forfeiture of the first office. [(66 Ops. Cal. Atty. Gen 176 (1983)]

While there is no statute that defines what an “incompatible office” is, a common law doctrine precludes public officials from holding two different public offices simultaneously if the offices have overlapping and conflicting public duties. Courts have summarized the doctrine as follows: “One individual may not simultaneously hold two public offices where the functions of the offices concerned are inherently inconsistent, as where there are conflicting interests, or where the nature of the duties of the two offices is such as to render it improper due to considerations of public policy for one person to retain both.” Mott v. Horstmann (1950) 36 Cal.2d 388; see also, Chapman v. Rapsey (1940) 16 Cal.2d 636

The Attorney General's Office has issued many opinions as to whether certain offices are incompatible or not. Here are five examples of offices that the Attorney General Offices has opined were incompatible:

1) The offices of city councilman and school district board member where the city and the school district have territory in common;
2) The positions of fire chief of a county fire protection district and member of the board of supervisors of the same county;
3) The offices of trustee of a high school district and trustee of an elementary school district which is wholly within the geographic boundaries of the high school district;
4) Water district director and a city council member; and,
5) A water district director and a school district trustee having territory in common.

Additional information on holding two offices can also be found on the FPPC’s website at: http://www.fppc.ca.gov under the link, “Learn,” and by viewing the, “Public Officials and Employees Rules,” page for the information on Conflict of Interest.
Write-In Candidates

FILING DATES: July 19, 2021 to August 31, 2021

Candidates who desire to be a write-in candidate and have his or her name written on the ballot of an election shall fulfill the requirements of Part 3 of Division 8 of the Elections Code, commencing at Section 8600. Write-in candidates must meet all qualifications of the office to which they are seeking the nomination. The name of the qualified write-in candidate is not printed on the ballot. Prospective write-in candidates should note that write-in candidacy is possible only if the office appears on the ballot.

Statement of Write-In Candidacy

Between July 19, 2021 to August 31, 2021 anyone seeking to be a write-in candidate for state office appearing on the ballot must file a Statement of Write-In Candidacy. The elections official provides the form during the official write-in filing period. The Statement of Write-In Candidacy shall contain the following information:

- candidate’s name
- candidate’s complete residence address
- a declaration stating that the candidate is a write-in candidate
- the name of the office for which the candidate is running, and

- Office of the Governor: 65 to 100 signatures

Elections Code §8062

Filing Fee

No fee or charge shall be required of a write-in candidate.

Elections Code § 8604

Roster of Qualified Write-in Candidates

For each election, the Office of the Registrar of Voters will post a list of qualified write-in candidates for offices appearing on the ballot in the County. Once the filing period closes, the Secretary of State will prepare a certified list of write-in candidates. County will combine all write-in candidates onto one list. A link will be available on the current election webpage.
When and How Votes are Tabulated and Reported

Following Election Day and during the official canvass of the vote, the elections official will manually tally and report all votes cast for qualified write-in candidates. Votes tallied for write-in candidates are not reflected in the Election Night report, nor in the updated reports the County releases in the days and weeks following. Rather, this information is available at the time certification of the election has been completed.

Write-in votes are not tallied at the same time as votes for qualified candidates who have their names printed on the ballot. Instead, these votes must be manually reviewed to ensure the name of the person written in on the ballot is qualified to have votes counted, and that the name is written under the correct candidate contest. Write-in votes are tallied by hand under the provisions of Article 7, of Chapter 1, of Division 7, in Title 2 of the California Administrative Code of Regulations. See Sections 20100 – 20105.

(B) If the candidate is an official or employee of a county, the name of the county shall appear preceded by the words “County of.”

(C) If the candidate is an official or employee of a city and county, the name of the city and county shall appear preceded by the words “City and County.”

This Section does not Apply to Governor Recall Elections
(D) If the candidate performs quasi-judicial functions for a governmental agency, the full name of the agency shall be included.

6. It uses a word or words referring to a racial, religious, or ethnic group.
7. It refers to any activity prohibited by law.

(f) If, upon checking the nomination documents and the ballot designation worksheet described in Section 13107.3, the elections official finds the designation to be in violation of any of the restrictions set forth in this section, the elections official shall notify the candidate by registered or certified mail return receipt requested, addressed to the mailing address provided on the candidate’s ballot designation worksheet.

1. The candidate shall, within three days, excluding Saturday, Sunday, and state holidays, from the date he or she receives notice by registered or certified mail, or from the date the candidate receives actual notice of the violation, whichever occurs first, appear before the elections official or, in the case of the Secretary of
State, notify the Secretary of State by telephone, and provide a designation that complies with subdivision (a) or (b).

(j) If a foreign language translation of a candidate’s designation is required under the federal Voting Rights Act of 1965 (52 U.S.C. Sec. 10101 et seq.), as amended, to appear on the ballot in addition to the English language version, it shall be as short as possible, as consistent as is practicable with this section, and shall employ abbreviations and initials wherever possible in order to avoid undue length.

Preferred Transliteration Form for Character-based Names

The County of Santa Clara Registrar of Voters is required to provide translated ballot materials pursuant to Section 203 of the federal Voting Rights Act of 1965 (52 U.S.C. Sec. 10503), any ballot that provides a translation of a candidate’s name shall contain a phonetic transliteration of the candidate’s name.

This section applies only to character-based languages, including, but not limited to, Mandarin Chinese, Cantonese, Japanese, and Korean.

Elections Code § 13211.7 (a)(1), (b)(2)

If a candidate’s name is to appear on the ballot in more than one jurisdiction in an election, all of those jurisdictions required to provide translated ballot materials pursuant to Section 203 of the federal Voting Rights Act of 1965 (52 U.S.C. Sec. 10503) shall use the same phonetic transliteration or character-based translation of the name.

In a jurisdiction in which separate ballots containing translations of the candidates’ names are printed in different languages both the alphabet-based names and the translations of the candidates’ names, for candidates that have translated names, shall appear on the translated ballot.
If a candidate has a character-based name by birth, that can be verified by birth certificate or other valid identification, the candidate may use that name on the ballot instead of a phonetic transliteration.

**Elections Code § 13211.7(b)**

A candidate who does not have a character-based name by birth, but who identifies by a particular character-based name and can demonstrate to the local elections official that the candidate has been known and identified within the public sphere by that name over the past two years, may use that name instead of a phonetic transliteration.

**Elections Code § 13211.7(b)**

If you have a Chinese given name or preferred transliteration and you would like used for the official ballot and the Chinese version of the county voter information guide, you must file this form with our office at the time of filing your nomination documents.

Campaigning Laws and Regulations
Statement of Economic Interests

All candidates for elective office are required to file a Statement of Economic Interests Form 700 no later than the final filing date of the Declaration of Candidacy, to disclose their investments, their interests in real property, and any income received during the immediately preceding 12 months.

Form 700 provides transparency and ensures accountability in two ways:

1. It provides necessary information to the public about an official’s personal financial interests to ensure that officials are making decisions in the best interest of the public and not enhancing their personal finances.
2. It serves as a reminder to the public official or potential conflicts of interest so that the official can abstain from making or participating in governmental decisions that are deemed conflicts of interests.

REQUIRED DOCUMENT TO BE FILED WITH ALL OTHER NOMINATION DOCUMENTS: The Office of the Registrar of Voters is the filing officer for Statements of Economic Interests in conjunction with candidacy for specified elective offices only. Assuming Office statements, Annual statements, and Leaving Office statements are filed with the filing officer of the applicable jurisdiction. This document must be filed with all other nomination documents during the nomination period.

If a candidate is uncertain of his/her filings they should contact their local filing officer or complete a new form marking the candidate statement box, which will satisfy the candidate’s requirements for running for office.

Candidates with detailed questions regarding the Statement of Economic Interests Form 700 should contact the Fair Political Practices Commission at (916) 322-5660 or (866) ASK-FPPC (275-3772).
Code of Fair Campaign Practices
(Elections Code Sections 20400-20444)

Background Information

In 1982, legislation was passed which established a "Code of Fair Campaign Practices" in California which could be voluntarily subscribed to by candidates for public office. Amendments in 1987 expanded the provisions of the code to apply to committees formed primarily to support/oppose a ballot measure and reaffirmed civil liability provisions pertaining to libel and slander in campaign advertising and communications.

The text of the provisions of the Code of Fair Campaign Practices is listed on the following pages of this document.

Purpose

The purpose in creating the Code of Fair Campaign Practices is to give voters guidelines in determining fair play and to encourage candidates to discuss issues instead of untruths or distortions.

Office of the Registrar of Voters Requirement

The Office of the Registrar of Voters is required, at the time an individual is issued his/her Declaration of Candidacy, nomination papers, or any other paper evidencing an intention to be a candidate for public office, to provide the candidate a blank form on which to subscribe to the "Code of Fair Campaign Practices" and a copy of the Elections Code provisions.

Voluntary Subscription

Subscription to the Code is voluntary. Completed forms are to be filed with the Office of the Registrar of Voters and shall be retained for public inspection until 30 days after the election.
Provisions of the Code of Fair Campaign Practices
as found in Chapter 5 of Division 20 of the California Elections Code

Chapter 5. Fair Campaign Practices
Article 1. General Intent

The Legislature declares that the purpose of this chapter is to encourage every candidate for public office in this state to subscribe to the Code of Fair Campaign Practices.

Elections Code § 20400

It is the ultimate intent of the Legislature that every candidate for public office in this state who subscribes to the Code of Fair Campaign Practices will follow the basic principles of decency, honesty, and fair play in order that, after vigorously contested, but fairly conducted campaigns, the citizens of this state may exercise their constitutional right to vote, free from dishonest and unethical practices which tend to prevent the full and free expression of the will of the voters.

The purpose in creating the Code of Fair Campaign Practices is to give voters guidelines in determining fair play and to encourage candidates to discuss issues instead of untruths or distortions.

(Enacted by Stats. 1994, Ch. 920, Sec. 2.)

Article 2. Definitions

(Enacted by Stats. 1994, Ch. 920, Sec. 2.)

Article 3. Code of Fair Campaign Practices

At the time an individual is issued his or her declaration of candidacy, nomination papers, or any other paper evidencing an intention to be a candidate for public office, the elections official shall give the individual a blank form of the code and a copy of this chapter. The elections official shall inform each candidate for public office that subscription to the code is voluntary.

Elections Code § 20440

In the case of a committee making an independent expenditure, as defined in Section 82031 of the Government Code, the Secretary of State shall provide a blank form and a copy of this chapter to the individual filing, in accordance with Title 9 (commencing with Section 81000) of the Government Code, an initial campaign statement on behalf of the committee. In the case of a committee making an independent expenditure as defined in Section 82031 of the Government Code, the Secretary of State shall provide a blank form and a copy of this chapter to the individual filing, in accordance with Title 9 (commencing with Section 81000) of the Government Code, an initial campaign statement on behalf of the committee. The text of the code shall read, as follows (see next page):

The Secretary of State shall print, or cause to be printed, blank forms of the code. The Secretary of State shall supply the forms to the elections officials in quantities and at times requested by the elections officials. The elections official shall accept, at all times, prior to the election, all completed forms that are properly subscribed to by a candidate for public office and shall retain them for public inspection until 30 days after the election. Every code subscribed to by a candidate for public office pursuant to this chapter is a public record open for public inspection.
In no event shall a candidate for public office be required to subscribe to or endorse the code.

**Code of Fair Campaign Practices**

§ 20440

There are basic principles of decency, honesty, and fair play which every candidate for public office in the State of California has a moral obligation to observe and uphold in order that, after vigorously contested but fairly conducted campaigns, our citizens may exercise their constitutional right to a free and untrammeled choice and the will of the people may be fully and clearly expressed on the issues.

**THEREFORE:**

(1) I **SHALL CONDUCT** my campaign openly and publicly, discussing the issues as I see them, presenting my record and policies with sincerity and frankness, and criticizing without fear or favor the record and policies of my opponents or political parties that merit this criticism.

(2) I **SHALL NOT USE OR PERMIT** the use of character defamation, whispering campaigns, libel, slander, or scurrilous attacks on any candidate or his or her personal or family life.

(3) I **SHALL NOT USE OR PERMIT** any appeal to negative prejudice based on a candidate’s actual or perceived race, religious creed, color, national origin, ancestry, physical disability, mental disability, medical condition, marital status, age, sexual orientation, sex, including gender identity, or any other characteristic set forth in Section 12940 of the Government Code, or association with another person who has any of the actual or perceived characteristics set forth in Section 12940 of the Government Code.

(4) I **SHALL NOT USE OR PERMIT** any dishonest or unethical practice that tends to corrupt or undermine our American system of free elections, or that hampers or prevents the full and free expression of the will of the voters including acts intended to hinder or prevent any eligible person from registering to vote, enrolling to vote, or voting.

(5) I **SHALL NOT coerce** election help or campaign contributions for myself or for any other candidate from my employees.

(6) I **SHALL IMMEDIATELY AND PUBLICLY REPUDIATE** support deriving from any individual or group that resorts, on behalf of my candidacy or in opposition to that of my opponent, to the methods and tactics that I condemn. I shall accept responsibility to take firm action against any subordinate who violates any provision of this code or the laws governing elections.

(7) I **SHALL DEFEND AND UPHOLD** the right of every qualified American voter to full and equal participation in the electoral process.

I, the undersigned, candidate for election to public office in the State of California or treasurer or chairperson of a committee making any independent expenditures, hereby voluntarily endorse, subscribe to, and solemnly pledge myself to conduct my campaign in accordance with the above principles and practices.

The words “Paid for by” shall be immediately adjacent to and above or immediately adjacent to and in front of the committee name and address.

A post office box may be stated in lieu of a street address if the candidate’s, candidate controlled committee established for an elective office for the controlling candidate’s, or political party committee’s address is a matter of public record with the Secretary of State.

(2) Except as provided in subdivision (b), a committee, other than a candidate controlled committee established for an elective office for the controlling candidate or a political party committee, shall not send a mass mailing that is not required to include a disclosure pursuant to Section 84504.2 unless the name, street address, and city of the committee is shown on the outside of each piece of mail in the mass mailing and on at least one of the inserts included within each piece of mail of the mailing in no less than 6-point type that is in a color or print that contrasts with the background so as to be easily legible. (c) (1) A candidate, candidate controlled committee established for an elective office for the controlling candidate, or political party committee shall not send a mass electronic mailing unless the name of the candidate or committee is shown in the electronic mailing preceded by the words “Paid for by” in at least the same size font as a majority of the text in the electronic mailing.
(2) A committee, other than a candidate controlled committee established for an elective office for the controlling candidate or a political party committee, shall not send a mass electronic mailing that is not required to include a disclosure pursuant to Section 84502 or 84504.3 unless the name of the committee is shown in the electronic mailing preceded by the words “Paid for by” in at least the same size font as a majority of the text in the electronic mailing.

(d) If the sender of a mass mailing is a controlled committee, the name of the person controlling the committee shall be included in addition to the information required by subdivision (a) or (c).

(e) For purposes of this section, the following terms have the following meanings:

(1) “Mass electronic mailing” means sending more than 200 substantially similar pieces of electronic mail within a calendar month. “Mass electronic mailing” does not include a communication that was solicited by the recipient, including, but not limited to, acknowledgments for contributions or information that the recipient communicated to the organization.

(3) To “pay for” a share of the cost of a mass mailing means to make, to promise to make, or to incur an obligation to make, any payment: (A) to any person for the design, printing, postage, materials, or other costs of the mailing, including salaries, fees, or commissions, or (B) as a fee or other consideration for an endorsement or, in the case of a ballot measure, support or opposition, in the mailing.

(f) This section does not apply to a mass mailing or mass electronic mailing that is paid for by an independent expenditure.

Reporting of Results

New voting technology at the Office of the Registrar of Voters offers major improvements for reporting election night results. In the past, all ballots were returned to the Office of the Registrar of Voter’s main office for tabulation. The new system allows for remote tabulation at each Vote Center, which will expedite election night results considerably. The modernized system has enhanced security, improved auditing options and incorporates precinct-level tabulation and reporting capabilities.

Beginning at approximately 8:05 p.m. on election night, results are available on our website at www.sccvote.org, or by calling (408) 299-VOTE. The first results reported are Vote by Mail ballots. Updates will occur approximately every hour. The Office of the Registrar of Voter’s website banner will be updated with information as to our current situation and predicted update time.

As soon as the voting polls close at 8:00 p.m., candidates, media representatives, and the public may view and monitor election results in Media Room 181. Room 181 is located directly across from the Auditorium. For more information about viewing election results, visit our Past Election Results webpage at www.sccvote.org/pastelectionresults or please contact the Public and Legislative Affairs Division at (408) 282-3008 or by emailing ROV-Media@rov.sccgov.org.

Official Canvass of the Returns

In general, the Official Canvass of the Vote and certification of the election must be completed within 30-days of the election. The Official Canvass includes many steps, including a tabulation of all valid ballots cast and a verification and audit of the voting materials and official results. Elections Code §15302 stipulates that the official canvass shall include, but is not be limited to, the following tasks:

(a) An inspection of all materials and supplies returned by election workers.

(b) A reconciliation of the number of signatures on the roster with the number of ballots recorded on the ballot statement.

(c) In the event of a discrepancy in the reconciliation required by subdivision (b), the number of ballots received from each Vote Center shall be reconciled with the number of ballots cast, as indicated on the ballot statement.

(d) A reconciliation of the number of ballots counted, spoiled, canceled, or invalidated due to identifying marks, overvotes, or as otherwise provided by statute, with the number of votes recorded, including vote by mail and provisional ballots, by the vote counting system.

(e) Processing and counting any valid vote by mail and provisional ballots not included in the semifinal official canvass.
(f) Counting any valid write-in votes.
(g) Reproducing any damaged ballots, if necessary.
(h) Reporting final results to the governing board and the Secretary of State, as required.

When elections are consolidated, all results are reported at the same time. The canvass and certification of the vote can take up to 30 days to complete. The Registrar of Voters cannot accommodate requests to tabulate and release results for specified contests, nor can it segregate ballots by contest to report remaining ballots by jurisdiction. Add reporting to the SOS here.

Dear Candidate:

Now that you have filed as a candidate, I want to encourage you to participate in Voter’s Edge, a non-partisan project of the League of Women Voters of California Education Fund. Voter’s Edge provides free webpages for candidates.

The Office of the Registrar of Voters is an active Voter’s Edge partner and urges you to take advantage of this valuable opportunity to get your message out to your voting audience. Informed citizens are more likely to vote.

The Voter’s Edge project provides an opportunity for you to let voters know who you are and where you stand on the issues. This non-partisan project was developed by the League to utilize Internet technology to inform voters about candidates and issues, and to provide an easy personal ballot lookup. Participation is free and open to all candidates. Voters can then see information about your race at www.votersedge.org/ca, using their personal computers, smartphones, or any other source of access to the Internet.

Sometime after the close of the nomination filing period, you will receive an email message or letter from your local League of Women Voters in Santa Clara County providing information and instructions on how to get started. If you do not receive an invitation from your local League within three weeks after the close of filing, feel free to visit their website at www.votersedge.org/ca to send an inquiry.

I encourage you to participate in the Voter’s Edge project.

Sincerely,

Shannon Bushey, Registrar

Frequently Asked Questions

Can anyone circulate nomination papers?

Circulators of nomination petitions must be 18 years of age or older.

What happens if some of the signatures I obtain on my nomination papers are not registered voters or do not live within the jurisdiction I seek to represent?

The Office of the Registrar of Voters must certify that the signatures on nomination papers are of registered voters residing within the jurisdiction. Any signatures of voters who do NOT reside within the jurisdiction will be marked invalid and will not count towards your signature requirements. We recommend filing your nomination papers early in case additional signatures are required following the initial certification. If you wait until the last day to file and your number of valid signatures does not meet the requirement for the office you seek, you will not qualify to be a candidate. If you file early, there will be time to check the signatures and notify you of any insufficiencies. You may then have an opportunity to submit supplemental signatures.

Is there a way to check the validity of signatures I collect on my petitions?

Yes, candidates can view confidential voter registration information at the Office of the Registrar of Voters. You can view the voter database and verify if a signer on your petition is registered to vote and at what address. The confidential terminal is available for usage during normal office hours. There are two terminals available for use on a first come, first served basis.

When and where can I pick up and file my nomination documents?

The candidate filing period is July 9, 2021 through July 16, 2021 Nomination documents may be picked up at the Office of the Registrar of Voters located at 1555 Berger Drive, Bldg. 2, Candidate Services Division, San Jose, CA. Nomination documents MAY ONLY BE FILED with the Office of the Registrar of Voters. The Office of the Registrar of Voters does not accept nomination papers printed from other websites such as the Secretary of State. Following review and acceptance of forms for filing, the ROV will forward appropriate documents to the SOS for final review and processing.

May I change or correct the wording or spelling on my candidate statement after submission?

No. Statements cannot be changed for any reason after they have been filed.

If I pay for and submit a candidate statement of qualifications and then I change my mind, may I withdraw the statement and receive a refund?

Yes, the candidate statement may be withdrawn during the nomination period and until 5:00 p.m. of the next working day after the close of the nomination period. If you withdraw your statement by this deadline, you will receive a refund. After this deadline, your statement cannot be withdrawn, nor a refund given.
May my spouse, relative, friend or campaign manager pick up and/or file nomination documents for me or can I mail them to you?

Yes, only if the candidate prepares and signs a Letter of Authorization. In general, all forms must be picked up and filed by the candidate. However, state law allows someone other than the candidate to obtain and/or file nomination papers if they have specific written authorization to do so. We recommend candidates pick up and file nomination documents themselves for the following two reasons:

1. The oath of office on the Declaration of Candidacy must be administered by a member of the Office of the Registrar of Voters staff, an authorized public official, or a notary public. It is much easier for a candidate to file the nomination papers in person and have the oath administered at the time he or she files; and

2. The signature of the candidate, as well as other data, is required on many documents involved in the nomination process. Incomplete or missing documents can be completed more easily in person.

If the candidate wishes to mail the nomination papers, they must be sent by certified mail and arrive in our office by the close of the nomination period, regardless of the postmark.

Am I required to file financial documents related to my campaign?

Yes, every candidate must file some type of financial documents at specified deadlines. Refer to the “Campaign Finance Disclosure Information” section of this guide for more information.

I am unable to complete and file any of my FPPC campaign disclosure statements by the filing deadline. May I obtain an extension and will I be fined?

No. There is no provision in the Political Reform Act that permits any filing officer to extend a filing deadline. Statements that are filed late are subject to a fine of $10.00 per day until the statement is filed including additional penalties or remedies imposed by the act. You may be fined for filing your statements late.

Can I place campaign signs anywhere I want?

No. There are city, county and state regulations concerning placement of campaign signs. Please refer to the “Outdoor Political Advertising Guidelines” section of this guide.

How does the Office of the Registrar of Voters release a list of candidates and how soon will an official list of qualified candidates be available after the close of nominations?

The Office of the Registrar of Voter’s publishes an updated list of candidates who have obtained and filed papers directly with the County of Santa Clara each day. There will be a date listed next to the candidate’s name indicating the date they filed all required paperwork and were qualified for office. At a later date, our office will provide an updated list of candidates released by the Secretary of State following the end of the nomination period.
The general nomination period ends at 5:00 p.m. on July 16, 2021 and the nomination period will not be extended due to lack of an incumbent for this office.

For each state election, the Secretary of State qualifies all state candidates and prepares the official certified list. This certified list of state candidates is not available to each county until July 21, 2021 at the earliest. The Secretary of State’s Office also posts this certified list on their website. A final official certified list that includes all state candidates will be released by the Office of the Registrar of Voters by the following week. You may come into the office and view the candidate list at no charge or purchase a copy of it.

Can I come into the Office of the Registrar of Voters on Election Night and observe the tabulation of the votes?

Yes. You can come into our office on Election Night and observe the entire process of the vote tabulation. All Election Night visitors must be escorted in our office so please call ahead of time to inform us that you will be coming to our office. Calling ahead helps us plan our staffing needs.

Can I obtain Election Night results on the Internet?

Yes. You may obtain the most up-to-date Election Night results on our website at www.sccvote.org or call (408) 299-8639.

Why is there so much paperwork involved in being a candidate?

State election laws stipulate those documents required to be completed by candidates, as well as its format, filing deadline, etc. These filing requirements are not discretionary.

2 CA ADC § 20712

Proposed ballot designations submitted pursuant to Elections Code § 13107, subdivision (a)(1), shall be subject to the following provisions:

(a) In the case of candidates holding elective city, county, district, state, or federal office, the candidate's ballot designation shall be the elective office which the candidate holds at the time of filing the nomination documents.

(b) In the case of judicial officers, the candidate's ballot designation shall be the elective office which the candidate holds at the time of filing the nomination documents.

(c) There shall be no word count limitation applicable to ballot designations submitted pursuant to Elections Code § 13107, subdivision (a)(1).

(d) Proposed ballot designations indicating a position of legislative leadership or leadership in another elected body, such as “Majority Leader of the California Senate,” “Minority Leader of the California State Assembly,” “Speaker of the California State Assembly,” “President Pro Tempore of the California State Senate,” “City of Orange Mayor Pro Tem,” and the like, are not elective offices described in Elections Code § 13107, subdivision (a)(1). Such ballot designations are improper, pursuant to Elections Code § 13107, subdivision (a)(1). They may, however, subject to the three-word limit, be considered under the provisions of § 13107(a)(3). Examples of acceptable ballot designations under this section include, but are not limited to, “Assembly Minority Leader,” “California Assembly Speaker,” and “Mayor Pro Tem.”

(e) Proposed ballot designations indicating that the candidate is a member of the state or county central committee of a political party, or an officer of a state or county central committee of a political party, are improper, as such positions do not constitute elective county or state offices as specified in Elections Code § 13107, subdivision (a)(1).

Proposed ballot designations submitted pursuant to Elections Code § 13107, subdivision (a)(2), shall be subject to the following provisions:

(a) A proposed ballot designation submitted pursuant to Elections Code § 13107, subdivision (a)(2), is limited “incumbent,” as that term is defined in Elections Code § 13107, subdivision (a)(2).

(b) The term “incumbent” must be used as a noun. It shall not be used in conjunction with any other words, including any accompanying adjectives or modifiers, and must stand alone. A candidate qualified to use this designation pursuant to Elections Code § 13107, subdivision (a)(2), shall be entitled to use the ballot designation “Incumbent.”

(c) The word “incumbent” is strictly limited for use in ballot designations submitted pursuant to Elections Code § 13107, subdivision (a)(2), and may not be used as an adjective in any other ballot designation.

HISTORY

1. New section filed 1-14-98; operative 1-14-98 pursuant to Government Code section 11343.4(d) (Register 98, No. 3).

Proposed ballot designations submitted pursuant to Elections Code § 13107, subdivision (a)(3), shall be subject to the following provisions:

(a) The terms “profession,” “vocation,” or “occupation,” as those terms are used in Elections Code § 13107, subdivision (a)(3), are defined as follows:

(1) “Profession” means a field of employment requiring special education or skill and requiring knowledge of a particular discipline. The labor and skill involved in a profession is predominantly mental or intellectual, rather than physical or manual. Recognized professions generally include, but are not limited to, law, medicine, education, engineering, accountancy, and journalism. Examples of an acceptable designation of a “profession,” as defined in Elections Code § 13107, subdivision (a)(3), include, but are not limited to, “attorney,” “physician,” “accountant,” “architect,” and “teacher.”

(2) “Vocation” means a trade, a religious calling, or the work upon which a person, in most but not all cases, relies for his or her livelihood and spends a major portion of his or her time. As defined, vocations may include, but are not limited to, religious ministry, child rearing, homemaking, elderly and dependent care, and engaging in trades such as carpentry, cabinetmaking, plumbing, and the like. Examples of an acceptable designation of a “vocation,” as defined in Elections Code § 13107, subdivision (a)(3), include, but are not limited to, “minister,” “priest,” “mother,” “father,” “homemaker,” “dependent care provider,” “carpenter,” “plumber,” “electrician,” and “cabinetmaker.”

(3) “Occupation” means the employment in which one regularly engages or follows as the means of making a livelihood. Examples of an acceptable designation of an “occupation,” as defined in Elections Code § 13107, subdivision (a)(3), include, but are not limited to, “rancher,” “restaurateur,” “retail salesperson,” “manual laborer,” “construction worker,” “computer manufacturing executive,” “military pilot,” “secretary,” and “police officer.”
(b) “Principal,” as that term is used in Elections Code § 13107, subdivision (a)(3), means a substantial involvement of time and effort such that the activity is one of the primary, main or leading professional, vocational or occupational endeavors of the candidate. The term “principal” precludes any activity which does not entail a significant involvement on the part of the candidate. Involvement which is only nominal, pro forma, or titular in character does not meet the requirements of the statute.

(1) If a candidate is licensed by the State of California to engage in a profession, vocation or occupation, the candidate is entitled to consider it one of his or her “principal” professions, vocations or occupations if (i) the candidate has maintained his or her license current as of the date he or she filed his or nomination documents by complying with all applicable requirements of the respective licensure, including the payment of all applicable license fees and (ii) the status of the candidate's license is active at the time he or she filed his or her nomination documents.

(2) A candidate who holds a professional, vocational or occupational license issued by the State of California may not claim such profession, vocation or occupation as one of his or her “principal” professions, vocations or occupations if (i) the candidate's licensure status is “inactive” at the time the candidate files his or her nomination document, or (ii) the candidate's license has been suspended or revoked by the agency issuing the license at the time the candidate files his or her nomination documents.

(c) In order for a ballot designation submitted pursuant to Elections Code § 13107, subdivision (a)(3), to be deemed acceptable by the Secretary of State, it must accurately state the candidate's principal professions, vocations or occupations, as those terms are defined in subdivisions (a) and (b) herein. Each proposed principal profession, vocation or occupation submitted by the candidate must be factually accurate, descriptive of the candidate's principal profession, vocation or occupation, must be neither confusing nor misleading, and must be in full and complete compliance with Elections Code § 13107 and the regulations in this Chapter.

(d) If the candidate is engaged in a profession, vocation or occupation at the time he or she files his or her nomination documents, the candidate's proposed ballot designation is entitled to consist of the candidate's current principal professions, vocations and occupations. In the event the candidate does not have a current principal profession, vocation or occupation at the time he or she files his or her nomination documents, the candidate may use a ballot designation consisting of his or her principal professions, vocations or occupations, which the candidate was principally engaged in during the calendar year immediately preceding the filing of the candidate's nomination papers.

(e) A candidate may engage in multiple principal professions, vocations or occupations. Accordingly, the candidate may designate multiple principal professions, vocations or occupations. If a candidate proposes a ballot designation including multiple principal professions, vocations or occupations, the proposed ballot designation must comply with the following provisions:

(1) The proposed ballot designation must comply with the three-word limitation specified in Elections Code § 13107, subdivision (a)(3), and as implemented pursuant to subdivision (f) herein.
(2) Each such proposed profession, vocation or occupation shall be separately considered by the Secretary of State and must independently qualify as a “principal” profession, vocation or occupation, as that term is defined pursuant to subdivision (b) herein.

(3) When multiple professions, vocations or occupations are proposed as a ballot designation, they shall be separated by a slash (“/”). An example of an acceptable designation would be “Legislator/Rancher/Physician.”

(f) Pursuant to Elections Code § 13107, subdivision (a)(3), the candidate's ballot designation shall be limited to not more than three (3) words. The following rules shall govern the application of the three-word limitation:

(1) The proposed ballot designation shall be grammatically correct, generic, and all words must be spelled correctly.

(2) Punctuation shall be limited to the use of a comma (e.g., District Attorney, Los Angeles County) and a slash (e.g., Legislator/Rancher/Physician), pursuant to subdivision (e) of this section. A hyphen may be used if, and only if, the use of a hyphen is called for in the spelling of a word as it appears in a standard reference dictionary of the English language, which was published in the United States at any time within the 10 calendar years immediately preceding the election for which the words are counted.

(3) All California geographical names shall be considered to be one word and shall be limited to the names of cities, counties and states. The names of special districts and political subdivisions are not “geographical names,” as that term is used in Elections Code § 13107, subdivision (a)(3). If the candidate desires, the geographical name may be used in the form of “City of . . .,” “County of . . .,” or “City and County of . . .” Examples of geographical names considered to be one word include Tehama County, Los Angeles County and County of Sacramento. Examples of designations containing a special district or political subdivision that are not geographical names include “Butte County Rural Fire District Captain,” “Huntington Beach Unified School District President,” and “South Bay Irrigation District Director.”

(4) An acronym shall be counted as one word.

(g) A candidate who chooses to include the name of his or her elective office with another profession, vocation, or occupation may do so pursuant to Elections Code section 13107(a)(3), but that ballot designation shall be limited to no more than three words. Examples of acceptable designations under this section include “State Senator/Rancher,” “California Assemblywoman/Attorney,” “County Supervisor/Teacher,” and “State Controller/Businessman.” Examples of unacceptable designations under this section include “Assemblyman, 57th District/Educator,” “California State Senator/Architect,” “Placer County Supervisor/Business Owner,” and “Member, Board of Equalization/Banker.”

§ 20714.5. “Community Volunteer.”

2 CA ADC § 20714.5

§ 20714.5. “Community Volunteer.”

(a) “Community Volunteer” means a person who engages in an activity or performs a service for or on behalf of, without profiting monetarily, one or more of the following:

(1) A charitable, educational, or religious organization as defined by the United States Internal Revenue Code section 501(c)(3);

(2) A governmental agency; or

(3) An educational institution.

(b) The activity or service must constitute substantial involvement of the candidate's time and effort such that the activity or service is the sole, primary, main or leading professional, vocational or occupational endeavor of the candidate within the meaning of subdivisions (a) and (b) of section 20714 of this Chapter.

§ 20716. Unacceptable Ballot Designations.

(a) The Secretary of State shall reject as unacceptable any proposed ballot designation which fails to comply with Elections Code § 13107, subdivision (a); is prohibited pursuant to Elections Code § 13107, subdivision (b); is misleading; or is otherwise improper pursuant to the regulations set forth in this Chapter.
(b) The following types of activities are distinguished from professions, vocations and occupations and are not acceptable as ballot designations pursuant to Elections Code § 13107, subdivision (a)(3):

(1) **Avocations:** An avocation is a casual or occasional activity, diversion or hobby pursued principally for enjoyment and in addition to the candidate's principal profession, vocation or occupation. Avocations may include, but are not limited to, hobbies, social activities, volunteer work (except as set forth in Section 20714.5 of this Chapter), and matters pursued as an amateur.

(2) **Pro Forma Professions, Vocations and Occupations:** Pro forma professions, vocations or occupations are positions held by the candidate which consume little or none of the candidate's time and which, by their nature, are voluntary or for which the candidate is not compensated, except as set forth in Section 20714.5 of this Chapter. Pro forma professions, vocations and occupations may include, but are not limited to, such pursuits as honorary peace officer, honorary chairperson, honorary professor, goodwill ambassador, official host or hostess and the like.

(3) **Statuses:** A status is a state, condition, social position or legal relation of the candidate to another person, persons or the community as a whole. A status is generic in nature and generally fails to identify with any particular specificity the manner by which the candidate earns his or her livelihood or spends the substantial majority of his or her time. Examples of a status include, but are not limited to, veteran, proponent, reformer, scholar, founder, philosopher, philanthropist, activist, patriot, taxpayer, concerned citizen, husband, wife, and the like.

(c) Pursuant to Elections Code § 13107, subdivision (b)(1), the Secretary of State shall reject as unacceptable any proposed ballot designation which would mislead voters. In making this determination, the Secretary of State shall determine whether there is a substantial likelihood that a reasonably prudent voter would be misled as to the candidate's principal profession, vocation or occupation by the candidate's proposed ballot designation. The determination shall take into account the plain meaning of the words constituting the proposed ballot designation and the factual accuracy of the proposed ballot designation based upon supporting documents or other evidence submitted by the candidate in support of the proposed ballot designation, pursuant to §§ 20711 and 20717 of this Chapter.

(d) A ballot designation may not comprise or include commercial identification information, such as a trademark, service mark, tradename, or the specific name of a business, partnership, corporation, company, foundation, or organization. Examples of an improper use of commercial identification information include, but are not limited to, “Acme Company President,” “Universal Widget Inventor,” “Director, Smith Foundation,” “UCLA Professor,” and the like.

(e) Pursuant to Elections Code § 13107, subdivision (b)(2), the Secretary of State shall reject as unacceptable any proposed ballot designation which would suggest an evaluation of the candidate's qualifications, honesty, integrity, leadership abilities or character. Any laudatory or derogatory adjectives which would suggest an evaluation of the candidate's qualifications shall not be permitted. Such impermissible adjectives include, but are not limited to, “senior,”

(f) Pursuant to Elections Code § 13107, subdivision (b)(3), the Secretary of State shall reject as unacceptable any proposed ballot designation which abbreviates the word “retired” or places it following any word or words which it modifies. Examples of impermissible designations include “Ret. Army General,” “Major USAF, Retired” and “City Attorney, Retired.”

(g) Pursuant to Elections Code § 13107, subdivision (b)(4), the Secretary of State shall reject as unacceptable any proposed ballot designation which uses a word or prefix to indicate a prior profession, vocation, occupation or elected, appointed or judicial office previously held by the candidate. Such impermissible words or prefixes include, but are not limited to, “Ex-,” “former,” “past,” and “erstwhile.” Examples of impermissible designations include “Former Congressman,” “Ex-Senator,” and “Former Educator.”

(h)(1) Subject to the provisions of Elections Code § 13107, subdivision (b)(4), use of the word “retired” in a ballot designation is generally limited for use by individuals who have permanently given up their chosen principal profession, vocation or occupation.

(2) In evaluating a proposed ballot designation including the word “retired,” the Secretary of State will consider the following factors in making a determination as to the propriety of the use of the term “retired”:

(A) Prior to retiring from his or her principal profession, vocation or occupation, the candidate worked in such profession, vocation or occupation for more than 5 years;

(B) The candidate is collecting, or eligible to collect, retirement benefits or other type of vested pension;

(C) The candidate has reached at least the age of 55 years;

(D) The candidate voluntarily left his or her last professional, vocational or occupational position; and,

(E) The candidate's retirement benefits are providing him or her with a principal source of income.

(3) If a candidate is requesting a ballot designation that he or she is a retired public official, the candidate must have previously voluntarily retired from public office, not have been involuntarily removed from office, not have been recalled by voters, and not have surrendered the office to seek another office or failed to win reelection to the office. If such a candidate did not voluntarily retire from public office, he or she may not use the word “retired” in his or her ballot designation.

(4) A candidate may not use the word “retired” in his or her ballot designation if that candidate possesses another more recent, intervening principal profession, vocation, or occupation.
(i) Pursuant to Elections Code § 13107, subdivision (b)(5), the Secretary of State shall reject as unacceptable any proposed ballot designation which uses the name of any political party, whether or not it has qualified for recognized ballot status.

(j) Pursuant to Elections Code § 13107, subdivision (b)(6), the Secretary of State shall reject as unacceptable any proposed ballot designation which uses a word or words referring to a racial, religious, or ethnic group.

    (1) The Secretary of State shall reject as unacceptable any ballot designation which expressly contains or implies any ethnic or racial slurs or ethnically or racially derogatory language.

    (2) If the candidate is a member of the clergy, the candidate may not make reference to his or her specific denomination. However, the candidate may use his or her clerical title as a ballot designation (e.g., “Rabbi,” “Pastor,” “Minister,” “Priest,” “Bishop,” “Deacon,” “Monk,” “Nun,” “Imam,” etc.)

(k) Pursuant to Elections Code § 13107, subdivision (b)(7), the Secretary of State shall reject as unacceptable any proposed ballot designation which refers to any activity prohibited by law. Unlawful activity includes any activities, conduct, professions, vocations, or occupations prohibited by state or federal law.
