The Election Night Youth Volunteer Program offers volunteers the opportunity to work at the Registrar of Voters' Office on Election Night. Volunteers provide invaluable service to their community, gain critical insight into the electoral process and can earn a stipend. Your son/daughter has expressed an interest and would like to volunteer. In order to assign a volunteer under the age of 18, we must have the permission of the parent or a guardian. The volunteer's duties include processing election materials on Election Night. The hours of participation on Election Night will be from 6:30 pm to approximately 12:00 am (midnight) for a half shift. Volunteers are responsible for their own transportation. If you would like for your son/daughter to participate, please fill out the information below and sign. If you have any questions, please contact by email at [administration@rov.sccgov.org](mailto:administration@rov.sccgov.org) or by phone at **408-918-9169**.
